

# NOTICE OF 2019 TAX YEAR PROPOSED PROPERTY TAX RATE FOR CITY OF MONTGOMERY

A tax rate of \$0.4000 per \$100 valuation has been proposed for adoption by the governing body of City of Montgomery. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Montgomery proposes to use revenue attributable to the tax rate increase for the purpose of street infrastructure improvements, additional staff, computer upgrades, vehicles and overall higher costs to meet the services currently provided to the City residents and visitors.

PROPOSED TAX RATE	\$0.4000 per \$100
PRECEDING YEAR'S TAX RATE	\$0.4000 per \$100
EFFECTIVE TAX RATE	\$0.3944 per \$100
ROLLBACK TAX RATE	\$0.4406 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Montgomery from the same properties in both the 2018 tax year and the 2019 tax year.

The rollback tax rate is the highest tax rate that City of Montgomery may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS  
FOLLOWS:

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property}) / 100$$
